### SARC INFORMATION

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- Visit the CDE SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>, for more information about SARC requirements.
- Visit the CDE LCFF Webpage at <http://www.cde.ca.gov/fg/aa/lc/>, for more information about the LCFF or LCAP.
- For additional information about the school, parents and community members should contact the school principal or the district office.

### DATAQUEST

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### CALIFORNIA SCHOOL DASHBOARD

The California School Dashboard (Dashboard) reflects California's new accountability and continuous improvement system and provides information about how districts and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of districts, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement. The Dashboard can be accessed at <https://www.caschooldashboard.org>.

### DISTRICT MISSION

We are committed to increase student achievement through a purposeful and effective instructional program that engages all students in academically rigorous learning. All staff will be supported in the development of knowledge and skills to enhance professional practices that lead to the academic achievement of our students. Parents, community and staff will work collaboratively to support students in achieving their personal, social and career goals.

### DISTRICT VISION

We will create academic pathways and a supportive environment that empowers our students to realize their potential and dreams.

### COMMUNITY PROFILE

The Calexico Unified School District is located in the City of Calexico which is within walking distance of the international border. The City of Calexico is located within Imperial County which lies in the extreme southeastern desert region of California. The district consists of seven elementary schools, two junior high schools, one comprehensive high school, one continuation high school, one independent studies program, and one adult school.

### SCHOOL MISSION

Our mission is to have a relevant broad-based curriculum with global applications which will prepare our students for future challenges. Therefore, our students will become life-long learners, capable of competing and collaborating successfully with others in a global society, utilizing critical thinking skills, using technology and making educated decisions. We will enhance our school culture by providing a safe and drug-free environment that fosters a healthy lifestyle and sustains a community of learners. We will honor traditions and create new ones. The school and community will be integrated in order to provide extra-curricular programs which will continue to develop pride, honor, and excellence.

### SCHOOL VISION

To provide all students with a stimulating curriculum which will give them life-long learning skills and technological skills which will prepare them for the challenges they will encounter in an ever changing society.

### ENROLLMENT BY STUDENT GROUP

**CONDITIONS OF LEARNING**

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

**TEACHER ASSIGNMENT**

The tables below display information regarding teacher preparation and placement, teachers without credentials and misassignments (considered “ineffective” under ESSA), credentialed teachers who are assigned out-of-field (considered “out-of-field” under ESSA); and class assignments. The data is collected and provided through an exchange with the Commission on Teacher Credentialing (CTC) and its California State Assignment Accountability System (CalSAAS). More information about the definitions used to determine the displayed data is available on the CDE’s Updated Teacher Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

#### SCHOOL FACILITIES

Calexico High School was originally constructed in 1954 and has undergone numerous modernization and renovation efforts. The main campus is currently comprised of 93 classrooms, a library media center, a Career Center, staff meeting room, cafeteria, two gyms, a Music Room, a Woodshop, a Welding Shop, Animal Pens, sports fields, and three computer labs. A high number of Calexico High School buildings show their age and have noticeable wear and tear that require considerable maintenance and repair. The Measure J Modernization project updated and expanded five buildings. The project was completed in November 2009. At the present time, the school is undergoing demolition of the original buildings such as the main office, the counseling office, three wings of classrooms and the cafeteria. A groundbreaking ceremony is scheduled for the third week of November and the community awaits for the new buildings to be completed. Meanwhile some classrooms, the cafeteria, main office and counseling office are in temporary housing.

The school pool was completed and opened to the community and students of the Calexico Unified School District in 2016. Varner Gym was remodeled in the fall of 2016, and officially reopened in January 2017. The CHS main campus also recently opened its new conditioning and weight room in Godfrey Gym for all athletic programs and physical education classes.

#### Cleaning Process

In spite of the age and wear of Calexico High School, custodial and maintenance staff continue to develop efficient approaches to maintain the buildings and keep them clean and in good repair. Calexico High School has adopted a systematic cleaning routine as instructed by the California Association of School Business Officials. A complete checklist of custodial and ground services has been elaborated for every team member of our school maintenance work force. These custodial/grounds training techniques have been the standard of our workforce cleaning program since 1994. Since then, every custodial force employee at Calexico High School has had to undergo the various sessions of this custodial/grounds training to ensure the same and proper level of knowledge can be acquired by every team member and then safely applied to our school facilities.

#### Maintenance and Repair

Calexico High School administration has in place an intra-district work order procedure ranging in priority levels 1, 2, and 3, with level 1 being of highest priority. By these means, we ensure that the dilapidation and aging of the campus facilities are properly addressed to our department of Maintenance and Operations. The district maintenance or site custodial personnel appropriately respond to these work orders in a timely manner as directed by the administration in charge. The necessary repairs or restoration procedures are then in place to keep the school in good working condition while maintaining a safe learning environment. In the same fashion an intra-district vandalism report form is generated every time vandalism circumstances appear to be the cause of extreme damage to the facilities. Once damage has been assessed, noted and filed, custodial and maintenance personnel are directed to restore the damaged and tampered areas to its normal working condition or aesthetic appearance. As the work order procedure is generated by the school site operations department, it is revised and approved by our school site administration, then forwarded to the District Maintenance department, and a copy is kept on site for record and for revision of completion.

**FACILITY INSPECTION RESULTS**

The chart displays the results of the most recent facilities inspection at the school. While reviewing this report, please note that even minor discrepancies are reported in the inspection process.

**INSTRUCTIONAL MATERIALS**

Calexico Unified School District held a public hearing on October 10, 2024, and determined that each school within the district has sufficient and good quality textbooks, instructional materials, or science lab equipment, pursuant to the settlement of Williams vs. the State of California.

All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects and foreign languages for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the state are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

The district also uses supplemental ELD instructional materials for grades K-6. These include materials from SRA/McGraw-Hill (grades K-2) and Ballard and Tighe (for grades 3-6). Note: The district does not have a formal textbook adoption for health and visual/performing arts.

**TEXTBOOKS**

The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

**PUPIL ACHIEVEMENT AND OUTCOMES**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

**CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS**

The California Assessment of Student Performance and Progress (CAASPP) is a collection of tests used statewide to provide teachers, students and parents with information about how students are doing in school. The assessment system utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Summative assessment results include student scores, achievement levels, and descriptors that describe performance. Information regarding the CAASPP test results of mathematics for each grade and achievement standards can be found on the CDE CAASPP-ELPAC Results website at <https://www.caaspp-elpac.cde.ca.gov/caaspp/>. The CAASPP System consists of the following assessments:

- Smarter Balanced English language arts/literacy (ELA) and mathematics
- California Alternate Assessments for ELA, mathematics, and science
- California Science Test (CAST)
- California Spanish Assessment (CSA)
- Smarter Balanced Interim Assessments

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The value “N/T” indicates that students were not tested, and therefore no scores are available at this time.

**ASSESSMENT RESULTS**

The table displays the percent of students who met or exceeded state standards in English Language Arts/Literacy (grades 3-8 and 11), Mathematics (grades 3-8 and 11), and Science (Grades 5, 8, and high school).

#### COLLEGE ENTRANCE REQUIREMENTS

##### - University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

##### - California State University (CSU)

Eligibility for admission to the CSU is determined by the three factors of specific high school courses, grades in specified courses and test scores, and graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

#### UC/CSU COURSE COMPLETION

Students are encouraged to take University of California/California State University courses if they plan to attend a four-year university. All students must pass each course with a grade of "C" or better each semester.

UC/CSU Course Enrollment	
Students Enrolled in Courses Required for UC/CSU Admission 2023-24	99.3

## CAREER TECHNICAL EDUCATION PARTICIPATION

This table displays information about participation in the school's Career Technical Education (CTE) programs.

2023-24 Career Technical Education Participation	
How many of the school's pupils participated in CTE programs?	996
What percentage of the school's pupils completed a CTE program and earned a high school diploma?	97.6
What percentage of the school's CTE courses are sequenced or articulated between the school and institutions of post secondary education?	

## CAREER TECHNICAL EDUCATION PROGRAMS

It is the goal of Calexico High School that students understand the importance of academic subjects and experience how employees apply subject learning to work situations. The school's programs focus on preparing students to think conceptually, communicate effectively, and apply skills in real-world contexts. Curriculum and instructional strategies that foster critical thinking, problem-solving, leadership, and academic skills are consistently taught to the students to ensure work readiness skills.

Through the 10th Grade Counseling Project, students are advised about their post-secondary options. Students are given opportunities to participate in a variety of educational experiences which help students become more informed about their career options. The CHS Work Experience Program is available through our Careers with Children Course. Students also learn about the Career Tech Pathways through our Annual Elective Fairs for all 10th-11th students. Other opportunities include field trips to vocational schools outside the Imperial Valley and ROP and Career Tech Programs.

Students may take the following CTE courses aligned to specific career sectors and career paths. Courses are offered on-site, and students are encouraged to take a sequence of courses to prepare them for the workforce and/or post secondary career technical programs.

- A-G Environmental Science
- Agricultural Biology
- Agricultural Fabrication
- Apparel Manufacturing and Production
- Auto Shop
- Auto Shop - Advanced

- 2) results of career/technical skills assessments;
- 3) participation in career/technical student organizations; and/or
- 4) placement of program completers in employment, post-secondary education, or the military.

Alex Jaime is the primary contact for Calexico High Schools' Career Technical Committee.

This table displays information about participation in the school's Career Technical Education (CTE) programs.

**OTHER OUTCOMES**

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):  
 - Pupil outcomes in the subject area of physical education

**PHYSICAL FITNESS ASSESSMENT**

In the spring of each year, all California schools are required by the state to administer a physical fitness test to students in the fifth, seventh, and ninth grades. The physical fitness test is a standardized evaluation that measures each student’s ability to perform fitness tasks in five major areas. The five major areas are Aerobic Capacity, Abdominal Strength and Endurance, Extensor and Strength and Flexibility, Upper Body Strength and Endurance, and Flexibility.

The table displays the percentage of students participating in each of the five fitness evaluations by grade. Detailed information regarding this test may be found at the CDE website at <http://www.cde.ca.gov/ta/tg/pf/>.

**PUPIL ENGAGEMENT**

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout and graduation rates
- Chronic absenteeism rates

**CHRONIC ABSENTEEISM**

Attendance is critical to academic achievement. Regular daily attendance is a priority and is expected for students. A student who is absent on 10 percent or more of the school days in the school year is considered to be a “chronic absentee”. Chronic absenteeism negatively impacts student learning and achievement and is closely monitored by school staff and the district. Rates of chronic absenteeism for the school are displayed below.

<b>Chronic Absenteeism Rate (Percentage)</b>

## PARENT ENGAGEMENT

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

## PARENT INVOLVEMENT

Parents at Calexico High School have various opportunities to interact with both the administration and staff. School site personnel are on site from 7:30 am – 4:30 pm in order to meet with parents. Open House and Back-to-School Night are held in the Fall and Spring in order to give parents the opportunity to meet students' teachers and discuss their son/daughter's course of study. Parents are also invited to attend various informational meetings regarding academic issues of our school community.

Parent and Student Connection Day takes place the first week of the month. Counselors are available to meet with parents regarding A-G courses, scholarships, financial aid, graduation requirements, counseling services, and other informational topics.

Parent involvement is highly encouraged throughout the year with the variety of meeting and event opportunities, such as:

- College-Going Initiative
- Cyber Bullying Parent Workshop
- Higher Education I and II
- Math CCSS/CPM Family Night
- Parent Center Invitation and Outreach Program Services Presentation
- Parent Vue Workshop,
- SARB
- Student Registration
- Student Study Teams
- Tutoring
- WASC Groups

Parent Community Organizations available at Calexico High School include:

- English Language Advisory Committee (ELAC)
- School Site Council

Future Farmers of America has a loosely organized parent group that meets quarterly to support FFA activities. Parents lend a voice to other committees such as the Action Planning Team and Technology Committee.

Some foundations such as the Calexico Educational Foundation support the school in times of crisis by collecting needed funds. The Elks Club provides a venue for several school activities and meetings.

Calexico High School forges school relationships with many businesses. The school is very proud of its heritage and recognizes the value of community support.

High school club fundraisers, Yearbook, ASB and Journalism are supported by local businesses. Coca-Cola publishes free banners for school advertising needs. Local businesses such as HomeTown Buffet and Western Auto host a new teacher luncheon to show their appreciation to incoming teachers and to provide them with supplies and discounts.

#### SCHOOL CLIMATE

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### SCHOOL SAFETY

The safety of students and staff is a primary concern of all Calexico Unified schools and staff. All visitors to the campus must sign in at the school office and wear a visitor's pass at all times. Supervision is provided to ensure the safety of each student before school, during breaks, at lunch, and after school. Supervision is a responsibility shared among volunteers, teachers, and administrators.

Protecting the health and safety of our staff, students and families is a priority. Calexico Unified has created comprehensive health and safety protocols which include: cleaning, disinfecting and sanitizing, use of personal protective equipment, symptom screening, social distancing, hygiene practices, testing, and responding to positive cases.

The school is always in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Safety drills, including fire, earthquake, and lock-down, are held on a rotating basis throughout the year.

To further safeguard the well-being of students and staff, a comprehensive School Site Safety Plan has been developed by the School Site Council. The Safety Plan is annually updated in the fall; the last review was performed in September, 2024. An updated copy of the plan is available to the public at the school and District offices. Any revisions and updates are reviewed immediately with the staff. Key elements of the Safety Plan focus on the following:

- School rules and procedures
- Disaster procedures/routine and emergency drills
- Current status of school crime
- Notification to teachers
- Child abuse reporting procedures
- School-wide dress code
- Policies related to suspension/expulsion
- Sexual harassment policy
- Safe ingress and egress of pupils, parents/guardians, and school employees

**SUSPENSIONS AND EXPULSIONS**

The table displays the suspension and expulsion rates at the school, in the district, and throughout the state. Expulsions occur only when required by law or when all other alternatives are exhausted.

**OTHER SARC INFORMATION**

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

**PROFESSIONAL DEVELOPMENT DAYS OFFERED**

The table displays the number of annual professional development days offered during the most recent three-year period.

<b>Professional Development Days</b>			
	<b>2022-23</b>	<b>2023-24</b>	<b>2024-25</b>
Number of Professional Development Days	28	141	108

**PROFESSIONAL DEVELOPMENT**

Staff members build teaching skills and concepts by participating in many conferences and workshops throughout the year, then share their experiences and knowledge with district colleagues. For the past three years, there were three full-day districtwide staff development days with many additional partial-day opportunities.

**ADDITIONAL INTERNET AND PUBLIC LIBRARY ACCESS**

Calexico Unified School District provides Enrique Camarena Public Library with free internet access available to all community members at both the main branch and the William Moreno Junior High School branch. Some community businesses may offer Internet availability to patrons who are able to access this service with their personal equipment.

**ACADEMIC COUNSELOR TO PUPIL RATIO**

The chart displays the ratio of pupils to academic counselor at the school.

<b>2023-24 Ratio of Number of Pupils per Academic Counselor</b>
