SARC Information

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Webpage at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.
- To view our SARC online, please visit our website or scan the QR code to the right.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Special Data Note

With the start of the 2016-17 school year Adelanto Elementary School District restructured the grade levels available at most schools. Please note that any section in the SARC that applies to school years 15-16 or earlier will display data for grades 7-8, while any section that pertains to the 2016-17 school year or after will display data for grades 6-8.

District Vision & Mission Statement

Mission Statement

To prepare every student to be successful in high school, in college, in career, and in the 21st century global community

Vision Statement

To be the High Desert's premier learning establishment where dreams are awakened, academic achievement soars, and integrity leads the way to future success

School Motto

Mesa Linda Bulldogs are Safe, Respectful & Responsible!

School Profile (School Year 2018-19)

The Adelanto Elementary School District is located in the City of Adelanto, a fast-growing community in Southern California, located approximately 35 miles south of Barstow.

A highly competent staff has established a close rapport with the students and community. Additionally, the school has developed educational programs designed to provide the skills and tools necessary for students to explore their creativity while developing a strong educational base.

School Enrollment

School districts receive financial support from the state for the education of the students they serve based on how many students attend school each day. More importantly, attendance is critical to academic achievement, and regular daily attendance is a priority at Adelanto Elementary School District. Attendance, tardiness, and truancy policies are clearly stated, consistently enforced, and consequences fairly administered. Parents are advised of their responsibilities, including proper notification of when and why students are absent. Absence reports are regularly reviewed by the school secretary. Parents are informed of absences through phone calls and letters sent home. Students can attend Saturday School to make-up absences.

Students are referred to the district's School Attendance Review Board (SARB) when they have persistent attendance or behavior problems in school, and when the normal avenues of classroom, school, and district counseling have proven to be ineffective. The SARB is composed of parents, representatives from the district, and members of the community, including representatives from law enforcement, welfare, probation, and mental health agencies. The members of SARB, the referred students, and their parents or guardians meet regularly to evaluate the student's situation and recommend alternative solutions to alleviate circumstances that contribute to specific truancy, attendance, or behavioral problems.

The charts display school enrollment broken down by student group and grade level.

Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Assignment

The district recruits and employs qualified credentialed teachers. This chart shows information about teacher credentials.

	Teacher Credential Status			
	School			District
	16-17	17-18	18-19	18-19
Fully Credentialed	36	43	35	351
Without Full Credentials	9	1	3	13
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	2

Misassignments refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. Teacher vacancies reflect the number of positions to which a single designated certificated employee has not been assigned at the beginning of the year for an entire semester or year.

	Misassignments/Vacancies		
	16-17	17-18	17-18

School Facilities (School Year 2018-19)

The Adelanto Elementary School District insures that each school provides a clean, safe, and functional environment for learning through proper facilities maintenance and campus supervision.

Age & Condition of Facilities

Mesa Linda Middle School was originally constructed in 1999 and is currently comprised of 42 permanent classrooms, eight portable classrooms, a library, a staff lounge, a multi-purpose room/cafeteria/gymnasium, and an open recreation area.

Improvements to Facilities

The District repaved the asphalt of all schools in 2018.

Campus Supervision

Adult supervision is present in all areas of the campus as students arrive in the morning, during lunch periods, and when students leave in the afternoon. School administration and teachers circulate in assigned areas of the campus; ensuring student conduct remains safe and orderly.

Regular campus supervision is shared throughout the day by school personnel to ensure the campus remains safe while instruction is in progress. The school is a closed campus. During school hours, all visitors must sign in at the office and wear identification badges while on school grounds.

Cleaning Process

The principal works daily with three full-time custodian staff members to ensure classrooms, restrooms, and campus grounds are kept clean and safe. Daily housekeeping and cleaning takes place in the afternoons and evenings. When school is not in session, custodial teams focus on deep cleaning of carpets, floors, windows, restrooms, and other major components of the campus.

Maintenance & Repair

Mesa Linda Middle School provides a safe and clean environment for students, staff, and volunteers. School personnel routinely inspect facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. District administrators utilize a scheduled maintenance program, which includes regular facilities inspections to ensure that all classrooms and facilities are well-maintained and in good repair. A work order process immediately alerts district personnel of any maintenance needed to be performed and ensures that emergencies are given the highest priority.

A formal inspection report is prepared annually in accordance with Education Code §17592.72(c)(1). Adelanto Elementary School District uses the Facilities Inspection Tool developed by the California Office of Public School Construction to assess current conditions of the campus and identify facilities improvement needs. The chart displays the results of the most recent school facilities inspection collected in November 2018.

San Bernardino County Williams Inspection Results

On an annual basis, representatives from the San Bernardino County Superintendent of Schools visit Adelanto Elementary School District's schools that are in the Decile Ranks 1-3. Representatives from the San Bernardino County Superintendent of Schools visited the school on August 29, 2018.

The inspection is designed to evaluate and verify that school facilities conditions are in "good repair" and that any deficiencies are accurately reported in the School Accountability Report Cards. Results of the most recent inspection and corrective action taken by the district are provided in the table. Items noted as "remedied" have already been fixed. All other deficiencies have had work orders generated for repairs.

Pupil Outcomes State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities)

California Assessment of Student Performance and Progress

The California Assessment of Student Performance and Progress (CAASPP) includes computer-based and paper-pencil assessments. The computer-based assessments are the Smarter Balanced English Language Arts/Literacy (ELA) and Mathematics tests, administered to grades three through eight and eleven. There is also an optional Standards-based Test in Spanish (STS) for Reading/Language Arts (RLA).

A new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS) has been developed. The California Standards Test and California Modified Assessment for Science are no longer administered. The new California Science Test (CAST) was piloted in spring 2017 and field tested during the 2017–18 school year. No student scores or aggregated results will be released until development of the test has been completed and reviewed. The CAST will be administered operationally during the 2018–19 school year.

The Smarter Balanced Assessment System utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Smarter Balanced summative assessment results include student scores, achievement levels, and descriptors that describe performance. These assessment results are only one of several tools used to measure a student’s academic performance in ELA/Literacy and mathematics. Smarter Balanced assessment results are most appropriately interpreted alongside other available information about a student’s academic achievement, including such measures as District assessments, classroom assignments and grades, classrooms tests, report cards, and teacher feedback.

The first table displays the percent of students who met or exceeded state standards in English Language Arts/Literacy (grades 3-8 and 11) and Math (grades 3-8 and 11) for the past two school years.

California Assessment of Student Performance and Progress									
Subject	Percent of Students Meeting or Exceeding the State Standards								
	School			District			State		
	2016	2017	2018	2016	2017	2018	2016	2017	2018

The second table displays information on student achievement by student groups for the school in ELA and Mathematics with all grades combined (grades three through eight and eleven).

Socioeconomically Disadvantaged	627	611	97.45	13.58	608	96.97	5.43
English Learners	189	184	97.35	9.78	183	96.83	4.92
Students with Disabilities	162	159	98.15	0.63	159	97.55	1.26

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the California Alternate Assessment. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

State Priority: Other Pupil Achievement

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject area of physical education

Physical Fitness (School Year 2017-18)

In the spring of each year, Adelanto Elementary School District is required by the state to administer a physical fitness test to all students in grades five and seven. The Physical Fitness Test measures each student's ability to perform fitness tasks in six major areas. Students who meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "Healthy Fitness Zone" (HFZ).

Percentage of Students in Healthy Fitness Zone			
2017-18			
Grade Level	Four of Six Standards	Five of Six Standards	Six of Six Standards
7	21.3%	32.3%	28.7%

**Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.*

Engagement State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Parent Involvement (School Year 2018-19)

Parents are encouraged to get involved in Mesa Linda Middle School's learning community by volunteering their time, attending school events or sharing in the decision-making process. Parent representation is an integral component of the School Site Council, English Learner Advisory Council and Parent Teacher Student Association (PTSA). Each of these groups is responsible for leading and evaluating the school's progress to provide a safe, supportive and effective learning environment. In addition to our compliance committees, parents are encouraged to participate in our Back to School Night, parent-teacher conferences, monthly Coffee with the Principal and Bulldog Dad meetings. Mesa Linda Middle School provides a broad range of activities and events to support the learning process in and above the classroom environment. Throughout the year staff encourage parents to attend athletic events, parent meetings, student performances, award celebrations, science fair night and our art showcase.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension and expulsion rates; and
- Other local measures on the sense of safety.

Discipline & Climate for Learning

The table displays the suspension and expulsion rates at the school, in the district, and throughout the state. Expulsions occur only when required by law or when all other alternatives are exhausted.

	Suspensions & Expulsions					
	Suspensions			Expulsions		
	15-16	16-17	17-18	15-16	16-17	17-18

State	3.65	3.65	3.51	0.09	0.09	0.08

Safe School Plan (School Year 2018-19)

The safety of students and staff is a primary concern of The Adelanto Elementary School District and its schools. The district is committed to providing all students with a safe learning environment. The Comprehensive Safety Plan was developed by the school in consultation with local law enforcement in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment.

Components of the Comprehensive Safety Plan include the following: child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe drop off and pickup from school, sexual harassment policy, bullying prevention policy, and dress code policy. To ensure student safety, staff members and playground monitors supervise students at all times before, during, and after school. All visitors must sign in at the office, obtain a visitor's badge, and sign out upon leaving. Additionally, the district offers a bullying reporting/prevention hotline where students and/or parents can make a report.

The school reviews the plan annually and updates it as needed. The plan was last updated in December 2018 and was reviewed with school staff. A copy of the safety plan is available to the public at the school office. Fire, earthquake, and intruder drills are conducted on a regular basis throughout the school year. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards.

Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Staff Development

For the past three years, the district offered the following number of staff development days:

2015-16: 1
2016-17: 3
2017-18: 3

The district also utilizes weekly early student release days on Tuesdays to allow for teacher collaboration, staff meetings and additional professional development opportunities.

The following professional development topics were discussed during the 2017-18 school year:

- English Language Development (ELD) Curriculum
- Special Education English-Language Arts Curriculum
- Incorporating technology into classrooms with Google Classroom and Applications
- Restorative Justice Practices techniques for proactive behavior intervention
- Core subject areas with additional focus on standards for literacy, history and social studies curriculum, PE curriculum

Additionally, for further support in their profession, teachers may enlist the services of the district's Beginning Teacher Support and Assessment (BTSA) support provider and/or the Peer Assistance and Review (PAR) Program.

Additional Internet Access/Public Libraries

In addition to the computers available at the school, students have access to the Internet and computers at the San Bernardino County Library branches located in the cities of Adelanto and Victorville. For branch locations, hours of operation, and other information please visit the San Bernardino County Library web site: www.sbcounty.gov/library/home.

Counseling & Support Staff (School Year 2017-18)

It is the goal of the Adelanto Elementary School District to assist students in their social and personal development as well as academics. Each school gives special attention to students who experience achievement problems, difficulty coping with personal and family problems, trouble with decision making, or handling peer pressure. The counselor to pupil ratio is 1:883. The table lists the support service personnel available to students. Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

District Expenditures (Fiscal Year 2016-17)

The figures shown in the table reflect the direct cost of educational services, per average daily attendance, excluding food services, facilities acquisition and construction, and certain other expenditures. This calculation is required by law annually and is compared with other districts state-wide.

Supplemental/Restricted expenditures come from money whose use is controlled by law or donor. Money designated for specific purposes by the district or governing board is not considered restricted. Basic/Unrestricted expenditures, except for general guidelines, are not controlled by law or donor.

The California Department of Education issued guidance to the district in August 2018 regarding how to calculate school-level per-pupil expenditures that will be reported in the 2018-19 fiscal year.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/>.
