NONPUBLIC, NONSECTARIAN SCHOOL/AGENCY SERVICES
MASTER CONTRACT

AUTHORIZATION FOR MASTER CONTRACT AND GENERAL PROVISIONS

1. MASTER CONTRACT

This Master Contract is entered into on July 1, 2019, between Black Oak Mine Unified School District, hereinafter referred to as the local educational agency ("LEA"), a member of the El Dorado County SELPA and Sierra Foothills Academy, hereinafter referred to as NPS/A or "CONTRACTOR" for the purpose of providing special education and/or related services to students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 *et seq.* and Title 5 of the California Code of Regulations section 3000 *et seq.*, AB490 (Chapter 862, Statutes of 2003) and AB1858 (Chapter 914, Statutes of 2004). It is understood that this agreement does not commit LEA to pay for special education and/or related services provided to any student, or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Services Agreement (hereinafter referred to as "ISA"). Unless otherwise agreed in writing, these forms shall acknowledge CONTRACTOR's obligation to provide all services specified in the student's Individualized Education Plan (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of a student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each student served by CONTRACTOR. As available and appropriate, the LEA shall make available access to any electronic IEP system and/or electronic database for ISA developing including invoicing.

Unless placement is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed agreement between LEA and parent or authorized by LEA for a transfer student pursuant to California Education Code section 56325, LEA is not responsible for the costs associated with nonpublic school placement until the date on which an IEP team meeting is convened, the IEP team determines that a nonpublic school placement is appropriate, and the IEP is signed by the student's parent.

2. CERTIFICATION AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a nonpublic, nonsectarian school/agency. All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code, section 56366 *et seq.* and within the professional scope of practice of each provider's license, certification and/or credential. A current copy of CONTRACTOR's nonpublic school/agency certification or a waiver of such certification issued by the CDE pursuant to Education Code section 56366.2 must be provided to LEA on or before the date this contract is executed by CONTRACTOR. This Master Contract shall be null and void if such certification or waiver is expired, revoked, rescinded,

or otherwise nullified during the effective period of this Master Contract. Total student enrollment shall be limited to capacity as stated on CDE certification and in Section 24 of the Master Contract.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of this State, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

With respect to CONTRACTOR's certification, failure to notify the LEA and CDE of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program may result in the suspension or revocation of CDE certification and/or suspension or termination of this Master Contract by the LEA.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this contract, unless otherwise agreed, CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies and regulations. CONTRACTOR shall also comply with all applicable LEA policies and procedures unless, taking into consideration all of the surrounding facts and circumstances, a policy or policies or a portion of a policy does not reasonably apply to CONTRACTOR. CONTRACTOR hereby acknowledges and agrees that it accepts all risks and responsibilities for its failure to comply with LEA policies and shall indemnify LEA under the provisions of Section 16 of this Agreement for all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of CONTRACTOR's failure to comply with applicable LEA policies (e.g., those policies relating to; the provision of special education and/or related services, facilities for individuals with exceptional needs, student enrollment and transfer, student inactive status, corporal punishment, student discipline, and positive behavior interventions).

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract; and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2019 to June 30, 2020 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. However, the parties acknowledge that any subsequent Master Contract is to be re-negotiated prior to June 30, 2019. In the event the contract is not renegotiated by June 30th, an interim contract may be made available as mutually agreed upon for up to 90 days from July 1 of the new fiscal year. (Title 5 California Code of Regulations section 3062(d)) No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of the LEA.

The provisions of this Master Contract apply to CONTRACTOR and any of its employees or independent contractors. Notice of any change in CONTRACTOR's ownership or authorized representative shall be provided in writing to LEA within thirty (30) calendar days of change of ownership or change of authorized representative.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION OR TERMINATION

This Master Contract includes each Individual Services Agreement and they are incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties.

CONTRACTOR shall provide the LEA with information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to District, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety day period, all payments shall cease until such time as the new Master Contract for the current school year is signed and returned to LEA by CONTRACTOR. (California Education Code section 56366(c)(1) and (2)). In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students at the discretion of the LEA.

6. INDIVIDUAL SERVICES AGREEMENT

This contract shall include an ISA developed for each student to whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for students enrolled with the approval of the LEA pursuant to Education Code section 56366 (a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR, shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students.

Any and all changes to a student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the student's IEP. At any time during the term of this Master Contract, a student's parent, CONTRACTOR, or LEA may request a review of a student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA. (California Education Code sections 56366(a) (5) and 3062(e)). In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall provide any and all subsequent compensatory service hours awarded to student as a result of lack of provision of services while student was served by the nonpublic school or agency.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the “stay-put” requirement of state and federal law unless the parent agrees otherwise or an Interim Alternative Educational Setting is deemed lawful and appropriate by LEA or OAH consistent with Section 1415 (k)(1)(7) of Title 20 of the United States Code. CONTRACTOR shall adhere to all LEA requirements concerning changes in placement.

Disagreements between LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may be appealed to the County Superintendent of Schools of the County where the LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c) (2).

CONTRACTOR shall provide all services under this Agreement as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Agreement shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the parties or any affiliates of the parties, or between the LEA and any individual assigned by CONTRACTOR to perform any services for the LEA.

If the LEA is held to be a partner, joint venturer, co-principle, employer or co-employer of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless the LEA from and against any and all claims for loss, liability, or damages arising from that holding, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that holding.

18. SUBCONTRACTING

CONTRACTOR shall provide written notification to LEA before subcontracting for special education and/or related services pursuant to this Master Contract. In the event LEA determines that it can provide the subcontracted service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s), LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR's original notice and CONTRACTOR shall not subcontract for said service(s).

CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts, to the fullest extent reasonably possible. Furthermore, when CONTRACTOR enters into subcontracts for the provision of special education and/or related services (including, but not limited to, transportation) for any student, CONTRACTOR shall cause each subcontractor to procure and maintain insurance during the term of each subcontract. Such subcontractor's insurance shall comply with the provisions of Section 15. Each subcontractor shall furnish the LEA with original endorsements and certificates of insurance effecting coverage required by Section 15. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. The endorsements are to be on forms as required by the LEA. All endorsements are to be received and approved by the LEA before the subcontractor's work commences. The Commercial General Liability and Automobile Liability policies shall name the LEA/SELPA and the LEA Board of Education as additional insured.

As an alternative to the LEA's forms, a subcontractor's insurer may provide complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by this Master Contract. All Certificates of Insurance may reference the LEA contract number, name of the school or agency submitting the certificate, indication if NPS or NPA, and the location of the school or agency submitting the certificate. In addition, all subcontractors must meet the requirements as contained in Section 45 Clearance Requirements and Section 46 Staff Qualifications of this Master Contract.

19. CONFLICTS OF INTEREST

CONTRACTOR shall provide to LEA upon request a copy of its current bylaws and a current list of its Board of Directors (or Trustees), if it is incorporated. CONTRACTOR and any member of its Board of Directors (or Trustees) shall disclose any relationship with LEA that constitutes or may constitute a conflict of interest pursuant to California Education Code section 56042 and including, but not limited to, employment with LEA, provision of private party assessments and/or reports, and attendance at IEP team meetings acting as a student's advocate. Pursuant to California Education code section 56042, an attorney or advocate for a parent of an individual with exceptional needs shall not recommend placement at

CONTRACTOR's facility if the attorney or advocate is employed or contracted by the CONTRACTOR, or will receive a benefit from the CONTRACTOR, or otherwise has a conflict of interest.

Unless CONTRACTOR and LEA otherwise agree in writing, LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to the student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the student is performed or a report is prepared in the normal course of the services provided to the student by CONTRACTOR. To avoid conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, the LEA may, in its discretion, not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may, in its discretion, not fund services through the evaluator whose IEE the LEA agrees to fund. When no other appropriate assessor is available, LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

When CONTRACTOR is a Nonpublic Agency, CONTRACTOR acknowledges that its authorized representative has read and understands Education Code section 56366.3 which provides, in relevant part, that no special education and/or related services provided by CONTRACTOR shall be paid for by LEA if provided by an individual who was an employee of LEA within the three hundred and sixty five (365) days prior to executing this contract. This provision does not apply to any person who is able to provide designated instruction and services during the extended school year because he or she is otherwise employed for up to ten months of the school year by LEA.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of the LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from the LEA through due process proceedings.

20. NON-DISCRIMINATION

CONTRACTOR shall not, in employment or operation of its programs, unlawfully discriminate on the basis of gender, nationality, national origin, ancestry, race, color, ethnicity, ethnic group affiliation, religion, age, marital status, pregnancy or parental status, sex, sexual orientation, gender, gender identity or expression, physical or mental disability, genetic information or any other classification protected by federal or state law or the perception of one or more of such characteristics or association with a person or group with one or more of these actual or perceived characteristics.

EDUCATIONAL PROGRAM

21. FREE AND APPROPRIATE PUBLIC EDUCATION (FAPE)

LEA shall provide CONTRACTOR with a copy of the IEP including the Individualized Transition Plan (hereinafter referred to as "ITP") of each student served by CONTRACTOR. CONTRACTOR shall provide to each student special education and/or related services (including transition services) within the nonpublic school or nonpublic agency consistent with the student's IEP and as specified in the ISA. If CONTRACTOR is a NPS, CONTRACTOR shall not accept a student if it cannot provide or ensure the provision of the services outlined in the student's IEP. If student services are provided by a third party (i.e. Related Services Provider), CONTRACTOR shall notify LEA if provision of services cease.

Unless otherwise agreed to between CONTRACTOR and LEA, CONTRACTOR shall be responsible for the provision of all appropriate supplies, equipment, and/or facilities for students, as specified in the student's

IEP and ISA. CONTRACTOR shall make no charge of any kind to parents for special education and/or related services as specified in the student's IEP and ISA (including, but not limited to, screenings, assessments, or interviews that occur prior to or as a condition of the student's enrollment under the terms of this Master Contract). LEA shall provide low incidence equipment for eligible students with low incidence disabilities when specified in the student's IEP and ISA. Such equipment remains the property of the SELPA/LEA and shall be returned to the SELPA/LEA when the IEP team determines the equipment is no longer needed or when the student is no longer enrolled in the nonpublic school. CONTRACTOR shall ensure that facilities are adequate to provide LEA students with an environment which meets all pertinent health and safety regulations. CONTRACTOR may charge a student's parent(s) for services and/or activities not necessary for the student to receive a free appropriate public education after: (a) written notification to the student's parent(s) of the cost and voluntary nature of the services and/or activities; and (b) receipt by the LEA of the written notification and a written acknowledgment signed by the student's parent(s) of the cost and voluntary nature of the services and/or activities. CONTRACTOR shall adhere to all LEA requirements concerning parent acknowledgment of financial responsibility.

Voluntary services and/or activities not necessary for the student to receive a free appropriate public education shall not interfere with the student's receipt of special education and/or related services as specified in the student's IEP and ISA unless the LEA, CONTRACTOR, and PARENT agree otherwise in writing.

22. GENERAL PROGRAM OF INSTRUCTION

All nonpublic school and nonpublic agency services shall be provided consistent with the area of certification specified by CDE Certification and as defined in California Education Code section 56366 *et seq.*, and shall ensure that facilities are adequate to provide LEA students with an environment, which meets all pertinent health and safety regulations.

When CONTRACTOR is a nonpublic school, CONTRACTOR's general program of instruction shall: (a) utilize evidence-based practices and predictors and be consistent with LEA's standards regarding the particular course of study and curriculum; (b) include curriculum that addresses mathematics, literacy and the use of educational, assistive technology and transition services; (c) be consistent with CDE's standards regarding the particular course of study and curriculum; (d) provide the services as specified in the student's IEP and ISA. Students shall have access to: (a) State Board of Education (SBE) - adopted Common Core State Standards ("CCSS") for curriculum and the same instructional materials for kindergarten and grades 1 to 8, inclusive; and provide standards – aligned core curriculum and instructional materials for grades 9 to 12, inclusive, used by a local education agency (LEA), that contracts with the nonpublic school: (b) college preparation courses; (c) extracurricular activities, such as art, sports, music and academic clubs; (d) career preparation and vocational training, consistent with transition plans pursuant to state and federal law and; (e) supplemental assistance, including individual academic tutoring, psychological counseling, and career and college counseling.

When CONTRACTOR serves students in grades nine through twelve inclusive, LEA shall provide to CONTRACTOR a specific list of the course requirements to be satisfied by the CONTRACTOR leading toward graduation or completion of LEA's diploma requirements. CONTRACTOR shall not award a high school diploma to students who have not successfully completed all of the LEA's graduation requirements.

When CONTRACTOR is a nonpublic agency and/or related services provider, CONTRACTOR's general program of instruction and/or services shall utilize evidence-based practices and predictors and be consistent with LEA and CDE guidelines and certification, and provided as specified in the student's IEP and ISA. The nonpublic agency providing Behavior Intervention services shall develop a written plan that specifies the nature of their nonpublic agency service for each student within thirty (30) days of enrollment and shall be provided in writing to the LEA. School-based services may not be unilaterally

converted by CONTRACTOR to a substitute program or provided at a location not specifically authorized by the IEP team. Except for services provided by a CONTRACTOR that is a licensed children's institution, all services not provided in the school setting require the presence of a parent, guardian or adult caregiver during the delivery of services, provided such guardian or caregiver have a signed authorization by the parent or legal guardian to authorize emergency services as requested. Licensed Children's Institution (LCI) CONTRACTORS shall ensure that appropriate and qualified residential or clinical staff is present during the provision of services under this Master Contract. CONTRACTOR shall immediately notify LEA in writing if no parent, guardian or adult caregiver is present. CONTRACTOR shall provide to LEA a written description of the services and location provided prior to the effective date of this Master Contract. CONTRACTORS providing Behavior Intervention services must have a trained behaviorist or trained equivalent on staff. It is understood that Behavior Intervention services are limited per CDE Certification and do not constitute as an instructional program.

When CONTRACTOR is a nonpublic agency, CONTRACTOR shall not provide transportation nor subcontract for transportation services for students unless the LEA and CONTRACTOR agree otherwise in writing.

23. INSTRUCTIONAL MINUTES

When CONTRACTOR is a nonpublic school, the total number of instructional minutes per school day provided by CONTRACTOR shall be at least equivalent to the number of instructional minutes per school day provided to students at like grade level attending LEA schools and shall be specified in the student's ISA developed in accordance with the student's IEP.

For students in grades kindergarten through 12 inclusive, unless otherwise specified in the student's IEP and ISA, the number of instructional minutes, excluding breakfast, recess, lunch and pass time shall be at the same level that Ed. Code prescribes for the LEA.

The total number of annual instructional minutes shall be at least equivalent to the total number of annual instructional minutes provided to students attending LEA schools in like grade level unless otherwise specified in the student's IEP.

When CONTRACTOR is a nonpublic agency and/or related services provider, the total number of minutes per school day provided by CONTRACTOR shall be specified in the student's ISA developed in accordance with the student's IEP.

24. CLASS SIZE

When CONTRACTOR is a nonpublic school, CONTRACTOR shall ensure that class size shall not exceed a ratio of one teacher per twelve (12) students, unless CONTRACTOR and LEA agree otherwise in writing. Upon prior written approval by an authorized LEA representative, class size may be temporarily increased by a ratio of 1 teacher to fourteen (14) students when necessary during the regular or extended school year to provide services to students with disabilities.

In the event a nonpublic school is unable to fill a vacant teaching position responsible for direct instruction to students, and the vacancy has direct impact on the California Department of Education Certification of that school, the nonpublic school shall develop a plan to assure appropriate coverage of students by first utilizing existing certificated staff. The nonpublic school and the LEA may agree to one 30 school day period per contract year where class size may be increased to assure coverage by an appropriately credentialed teacher. Such an agreement shall be in writing and signed by both parties. This provision does not apply to a nonpublic agency.

CONTRACTOR providing special education instruction for individuals with exceptional needs between the ages of three and five years, inclusive, shall also comply with the appropriate instructional adult to child ratios pursuant to California Education Code sections 56440 et seq.

25. CALENDARS

When CONTRACTOR is a nonpublic school, CONTRACTOR shall submit to the LEA/SELPA a school calendar with the total number of billable days not to exceed 180 days, plus extended school year billable days equivalent to the number of days determined by the LEA's extended school year calendar. Billable days shall include only those days that are included on the submitted and approved school calendar, and/or required by the IEP (developed by the LEA) for each student. CONTRACTOR shall not be allowed to change its school calendar and/or amend the number of billable days without the prior written approval of the LEA. Nothing in this Master Contract shall be interpreted to require the LEA to accept any requests for calendar changes.

Unless otherwise specified by the students' IEP, educational services shall occur at the school site. A student shall only be eligible for extended school year services if such are recommended by his/her IEP Team and the provision of such is specifically included in the ISA. Extended school year shall consist of twenty (20) instructional days, unless otherwise agreed upon by the IEP Team convened by the LEA. Any days of extended school year in excess of twenty (20) billable days must be mutually agreed to, in writing, prior to the start of the extended school year.

Student must have actually been in attendance during the regular school year and/or during extended school year and actually received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by the LEA, in writing, in advance of the delivery of any nonpublic school service. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

CONTRACTOR shall observe the same legal holidays as LEA. Those holidays are Labor Day, Veteran's Day, Thanksgiving Day, Christmas Day, New Year's Day, Martin Luther King, Jr. Day, President's Day, Memorial Day and Independence Day. With the approval of LEA, CONTRACTOR may revise the date upon which CONTRACTOR closes in observance of any of the holidays observed by the LEA.

When CONTRACTOR is a nonpublic agency, CONTRACTOR shall be provided with a LEA-developed/approved calendar prior to the initiation of services. CONTRACTOR herein agrees to observe holidays as specified in the LEA-developed/approved calendar. CONTRACTOR shall provide services pursuant to the LEA-developed/approved calendar; or as specified in the LEA student's IEP and ISA. Unless otherwise specified in the LEA student's ISA, CONTRACTOR shall provide related services to LEA students on only those days that the LEA student's school of attendance is in session and the LEA student attends school. CONTRACTOR shall bill only for services provided on billable days of attendance as indicated on the LEA calendar unless CONTRACTOR and the LEA agree otherwise, in writing. Student must have actually been in attendance and/or received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by the LEA, in writing, in advance of the delivery of any nonpublic agency service provided by CONTRACTOR. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

26. DATA REPORTING

CONTRACTOR shall agree to provide to the LEA all data related to student information and billing information with LEA. CONTRACTOR shall agree to provide all data related to any and all sections of this contract and requested by and in the format required by the LEA. It is understood that all nonpublic school and agencies shall utilize the LEA approved electronic IEP system for all IEP development and progress reporting, unless otherwise agreed to by the LEA. Additional progress reporting may be required by the LEA. The LEA shall provide the CONTRACTOR with appropriate software, user training and proper internet permissions to allow adequate access.

The LEA shall provide the CONTRACTOR with approved forms and/or format for such data including, but not limited to, invoicing, attendance reports and progress reports. The LEA may approve use of CONTRACTOR'S provided forms at their discretion.

27. LEAST RESTRICTIVE ENVIRONMENT/DUAL ENROLLMENT

CONTRACTOR and LEA shall follow all LEA policies and procedures that support Least Restrictive Environment ("LRE") options and/or dual enrollment options if available and appropriate, for students to have access to the general curriculum and to be educated with their nondisabled peers to the maximum extent appropriate.

CONTRACTOR and LEA shall ensure that LRE placement options are addressed at all IEP team meetings regarding students for whom ISAs have been or may be executed. This shall include IEP team consideration of supplementary aids and services, goals and objectives necessary for placement in the LRE and necessary to enable students to transition to less restrictive settings.

When an IEP team has determined that a student should be transitioned into the public school setting, CONTRACTOR shall assist the LEA in implementing the IEP team's recommended activities to support the transition.

28. STATEWIDE ACHIEVEMENT TESTING

When CONTRACTOR is a nonpublic school, per implementation of Senate Bill 484, CONTRACTOR shall administer all Statewide assessments within the California Assessment of Student Performance and Progress ("CAASPP"), Desired Results Developmental Profile ("DRDP"), California Alternative Assessment ("CAA"), achievement and abilities tests (using LEA-authorized assessment instruments), the Fitness Gram, , the English Language Proficiency Assessments for California ("ELPAC"), and as appropriate to the student, and mandated by LEA pursuant to LEA and state and federal guidelines.

CONTRACTOR is subject to the alternative accountability system developed pursuant to Education Code section 52052, in the same manner as public schools. Each LEA student placed with CONTRACTOR by the LEA shall be tested by qualified staff of CONTRACTOR in accordance with that accountability program. LEA shall provide test administration training to CONTRACTOR'S qualified staff. CONTRACTOR shall attend LEA test training and comply with completion of all coding requirements as required by LEA.

29. MANDATED ATTENDANCE AT LEA MEETINGS

CONTRACTOR shall attend District mandated meetings when legal mandates, and/or LEA policy and procedures are reviewed, including but not limited to the areas of: curriculum, high school graduation, standards-based instruction, behavior intervention, cultural and linguistic needs of students with disabilities, dual enrollment responsibilities, LRE responsibilities, transition services, and standardized

testing and IEPs. LEA shall provide CONTRACTOR with reasonable notice of mandated meetings. Attendance at such meetings does not constitute a billable service hour(s).

30. POSITIVE BEHAVIOR INTERVENTIONS AND SUPPORTS

CONTRACTOR shall comply with the requirements of Education Code section 49005, *et seq.*, 56521.1 and 56521.2. LEA students who exhibit behaviors that interfere with their learning or the learning of others must receive timely and appropriate assessments and positive supports and interventions in accordance with the federal law and its implementing regulations. If the Individualized Education Program ("IEP") team determines that a student's behavior impedes his or her learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a Behavior Intervention Plan ("BIP"), the IEP team may conclude it is sufficient to address the student's behavioral problems through the development of behavioral goals and behavioral interventions to support those goals.

CONTRACTOR shall maintain a written policy pursuant to California Education Code section 56521.1 regarding emergency interventions and behavioral emergency reports. CONTRACTOR shall ensure that all of its staff members are trained annually in crisis intervention and emergency procedures as related to appropriate behavior management strategies. Training includes certification with an approved SELPA crisis intervention program. Evidence of such training to applicable or relevant staff shall be submitted to the LEA at the beginning of the school year and within six (6) days of any new hire as referenced above.

Pursuant to Education Code section 56521.1, emergency interventions shall not be used as a substitute for a BIP, and shall not be employed longer than necessary to contain the behavior. Emergency interventions may only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the individual with exceptional needs, or others, and that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. If a situation requires prolonged use of emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency.

CONTRACTOR shall complete a behavior emergency report when an emergency occurs that is defined as a serious, dangerous behavior that staff has determined to present a clear and present danger to others. It requires a non-violent physical intervention to protect the safety of student, self, or others and a physical intervention has been used; or a physical intervention has not been used, but an injury or serious property damage has occurred. Personal Safety Techniques may or may not have been used. Emergencies **require** a behavior emergency report form be completed and submitted to the LEA within twenty-four (24) hours for administrative action. CONTRACTOR shall notify Parent within twenty-four (24) hours via telephone. If the student's IEP does not contain a Behavior Intervention Plan ("BIP") or Positive Behavior Intervention Plan ("PBIP"), an IEP team shall schedule a meeting to review the behavior emergency report, determine if there is a necessity for a functional behavioral assessment, and to determine an interim plan. If the student already has a BIP, the IEP team shall review and modify the BIP if a new serious behavior has been exhibited or existing behavioral interventions have proven to be ineffective. CONTRACTOR shall schedule with LEA an IEP meeting within two (2) days.

Pursuant to Education Code section 56521.2, CONTRACTOR shall not authorize, order, consent to, or pay for the following interventions, or any other interventions similar to or like the following: (1) Any intervention that is designed to, or likely to, cause physical pain, including, but not limited to, electric-shock (2) An intervention that involves the release of noxious, toxic, or otherwise unpleasant sprays, mists, or substances in proximity to the face of the individual. (3) An intervention that denies adequate sleep, food, water, shelter, bedding, physical comfort, or access to bathroom facilities. (4) An

intervention that is designed to subject, used to subject, or likely to subject, the individual to verbal abuse, ridicule, or humiliation, or that can be expected to cause excessive emotional trauma. (5) Restrictive interventions that employ a device, material, or objects that simultaneously immobilize all four extremities, including the procedure known as prone containment, except that prone containment or similar techniques may be used by trained personnel as a limited emergency intervention. (6) Locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room. (7) An intervention that precludes adequate supervision of the individual. (8) An intervention that deprives the individual of one or more of his or her senses. (b) In the case of a child whose behavior impedes the child's learning or that of others, the individualized education program team shall consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations.

All restraint practices must be reviewed and revised when they have an adverse effect on a student and are used repeatedly for an individual child, either on multiple occasions within the same classroom or multiple uses by the same individual. CONTRACTOR shall notify the student's parent/guardian when any type of physical or mechanical restraint or seclusion has been used. Upon the use of any type of physical or mechanical restraint or seclusions of a District student, CONTRACTOR shall complete a BER per the reporting and notification requirements listed above.

31. STUDENT DISCIPLINE

CONTRACTOR shall maintain and abide by a written policy for student discipline that is consistent with state and federal law and regulations.

When CONTRACTOR seeks to remove a student from his/her current educational placement for disciplinary reasons, CONTRACTOR shall immediately submit a written discipline report to the LEA and a manifestation IEP team meeting shall be scheduled. Written discipline reports shall include, but not be limited to: the student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of the student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to participate in a manifestation determination at an IEP meeting no later than the tenth (10th) day of suspension. CONTRACTOR shall notify and invite LEA representatives to the IEP team meeting where the manifestation determination will be made.

32. IEP TEAM MEETINGS

An IEP team meeting shall be convened at least annually to evaluate: (1) the educational progress of each student placed with CONTRACTOR, including all state assessment results pursuant to the requirements of Education Code section 52052; (2) whether or not the needs of the student continue to be best met at the nonpublic school; and (3) whether changes to the student's IEP are necessary, including whether the student may be transitioned to a public school setting. (California Education Code sections 56366 (a) (2) (B) (i) and (ii)) and pursuant to California Education Code section 56345 (b) (4).)

If the LEA student is to be transferred from a NPS setting into a regular class setting in a public school for any part of the school day, the IEP team shall document, if appropriate, a description of activities provided to integrate the student into the regular education program, including the nature of each activity as well as the time spent on the activity each day or week and a description of the activities provided to support the transition of the student from the special education program into the regular education program. Each student shall be allowed to provide confidential input to any representative of his or her IEP team. Except as otherwise provided in the Master Contract, CONTRACTOR and LEA shall participate in all IEP team meetings regarding students for whom ISAs have been or may be executed. At any time during the term

of this Master Contract, the parent, the CONTRACTOR or the LEA may request a review of the student's IEP, subject to all procedural safeguards required by law, including reasonable notice given to, and participation of, the CONTRACTOR in the meeting. Every effort shall be made to schedule IEP team meetings at a time and place that is mutually convenient to parent, CONTRACTOR and LEA. CONTRACTOR shall provide to LEA assessments and written assessment reports by service providers upon request and/or pursuant to LEA policy and procedures. It is understood that attendance at an IEP meeting is part of CONTRACTOR'S professional responsibility and is not a billable service under this Master Contract.

It is understood that the CONTRACTOR shall utilize the approved electronic IEP system of the LEA for all IEP planning and progress reporting at the LEA's discretion. The SELPA shall provide training for any NPS and NPA to assure access to the approved system. The NPS and/or NPA shall maintain confidentiality of all IEP data on the approved system and shall protect the password requirements of the system. When a student dis-enrolls from the NPS, the NPS/NPA shall discontinue use of the approved system for that student.

Changes in any student's educational program, including instruction, services, or instructional setting provided under this Master Contract, may only be made on the basis of revisions to the student's IEP. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR may request a review of the student's IEP for the purposes of consideration of a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent agrees otherwise or an Interim Alternative Educational Setting is deemed lawful and appropriate by LEA or OAH consistent with Section 1415 (k)(1)(7) of Title 20 of the United States Code.

33. SURROGATE PARENTS AND FOSTER YOUTH

CONTRACTOR shall comply with LEA surrogate parent assignments. A pupil in foster care shall be defined pursuant to California Education Code section 42238.01(b). The LEA shall annually notify the CONTRACTOR who the LEA has designated as the educational liaison for foster children. When a pupil in foster care is enrolled in a nonpublic school by the LEA any time after the completion of the pupil's second year of high school, the CONTRACTOR shall schedule the pupil in courses leading towards graduation based on the diploma requirements of the LEA unless provided notice otherwise in writing pursuant to Section 51225.1.

34. DUE PROCESS PROCEEDINGS

CONTRACTOR shall fully participate in special education due process proceedings including mediations and hearings, as requested by LEA. CONTRACTOR shall also fully participate in the investigation and provision of documentation related to any complaint filed with the State of California, the Office of Civil Rights, or any other state and/or federal governmental body or agency. Full participation shall include, but in no way be limited to, cooperating with LEA representatives to provide complete answers raised by any investigator and/or the immediate provision of any and all documentation that pertains to the operation of CONTRACTOR's program and/or the implementation of a particular student's IEP/Individual and Family Service Plan ("IFSP").

35. COMPLAINT PROCEDURES

CONTRACTOR shall maintain and adhere to its own written procedures for responding to parent complaints. These procedures shall include annually notifying and providing parents of students with appropriate information (including complaint forms) for the following: (1) Uniform Complaint Procedures pursuant to Title 5 of the California Code of Regulations section 4600 *et seq.*; (2) Nondiscrimination policy pursuant to Title 5 of the California Code of Regulations section 4960 (a); (3) Sexual Harassment Policy, California Education Code 231.5 (a) (b) (c); (4) Title IX Student Grievance Procedure, Title IX 106.8 (a) (d)

and 106.9 (a); and (5) Notice of Privacy Practices in compliance with Health Insurance Portability and Accountability Act ("HIPAA"). CONTRACTOR shall include verification of these procedures to the LEA.

36. STUDENT PROGRESS REPORTS/REPORT CARDS AND ASSESSMENTS

Unless LEA requests in writing that progress reports be provided on a monthly basis, CONTRACTOR shall provide to parents at least four (4) written progress reports/report cards. At a minimum, progress reports shall include progress over time towards IEP goals and objectives. A copy of the progress reports/report cards shall be maintained at the CONTRACTOR's place of business and shall be submitted to the LEA and LEA student's parent(s).

The CONTRACTOR shall also provide an LEA representative access to supporting documentation used to determine progress on any goal or objective, including but not limited to log sheets, observation notes, data sheets, pre/post tests, rubrics and other similar data collection used to determine progress or lack of progress on approved goals, objectives, transition plans or behavior intervention plans. The LEA may request such data at any time within five (5) years of the date of service. The CONTRACTOR shall provide this data supporting progress within five (5) business days of request. Additional time may be granted as needed by the LEA.

CONTRACTOR shall complete academic or other evaluations of the student ten (10) days prior to the student's annual or triennial review IEP team meeting for the purpose of reporting the student's present levels of performance at the IEP team meeting as required by state and federal laws and regulations and pursuant to LEA policies, procedures, and/or practices. CONTRACTOR shall provide sufficient copies of its reports, documents, and projected goals to share with members of the IEP team five (5) business days prior to the IEP meeting. CONTRACTOR shall maintain supporting documentation such as test protocols and data collection, which shall be made available to LEA within five (5) business days of request.

The CONTRACTOR is responsible for all evaluation costs regarding the updating of goals and objectives, progress reporting and development of present levels of performance. All assessments resulting from an assessment plan shall be provided by the LEA unless the LEA specifies in writing a request that CONTRACTOR perform such additional assessment. Any assessment and/or evaluation costs may be added to the ISA and/or approved separately by the LEA at the LEA's sole discretion.

It is understood that all billable hours must be in direct services to pupils as specified in the ISA. For Nonpublic Agency services, supervision provided by a qualified individual as specified in Title 5 Regulation, subsection 3065, shall be determined as appropriate and included in the ISA. Supervision means the direct observation of services, data review, case conferencing and program design consistent with professional standards for each professional's license, certification, or credential.

CONTRACTOR shall not charge the student's parent(s) or LEA for the provision of progress reports, report cards, evaluations conducted in order to obtain present levels of performance, interviews, and/or meetings. It is understood that all billable hours have limits to those specified on the ISA consistent with the IEP. It is understood that copies of data collection notes, forms, charts and other such data are part of the pupil's record and shall be made available to the LEA upon written request.

37. TRANSCRIPTS

When CONTRACTOR is a nonpublic school, CONTRACTOR shall prepare transcripts at the close of each semester, or upon student transfer, for students in grades nine (9) through twelve (12) inclusive, and submit them on LEA approved forms to the student's school of residence for evaluation of progress toward completion of diploma requirements as specified in LEA Procedures. CONTRACTOR shall submit

to the LEA names of students and their schools of residence for whom transcripts have been submitted as specified by the LEA.

When CONTRACTOR is a nonpublic agency and/or related services provider, and CONTRACTOR's service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section 7 of this agreement and as determined by LEA) substitute, unless LEA provides appropriate coverage in lieu of CONTRACTOR's service providers. It is understood that the parent of a student shall not be deemed to be a qualified substitute for their student. LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. Final payment to CONTRACTOR in connection with the cessation of operations and/or termination of a Master Contract will be subject to the same documentation standards described for all payment claims for regular ongoing operations. In addition, final payment may be withheld by the LEA until completion of a review or audit, if deemed necessary by the LEA. Such review or audit will be completed within ninety (90) days. The final payment may be adjusted to offset any previous payments to the CONTRACTOR determined to have been paid in error or in anticipation of correction of documentation deficiencies by the CONTRACTOR that remain uncorrected.

The amount which may be withheld by LEA with respect to each of the subparagraphs of the preceding paragraph are as follows: (a) the value of the service CONTRACTOR failed to perform; (b) the amount of overpayment; (c) the entire amount of the invoice for which satisfactory documentation has not been provided by CONTRACTOR; (d) the amount invoiced for services provided by the individual not appropriately credentialed, licensed, or otherwise qualified; (e) the proportionate amount of the invoice related to the applicable pupil for the time period from the date the violation occurred and until the violation is cured; or (f) the amount paid to CONTRACTOR by Medi-Cal or another agency or funding source for the service provided to the student.

If LEA determines that cause exists to withhold payment to CONTRACTOR, LEA shall, within ten (10) business days of this determination, provide to CONTRACTOR written notice that LEA is withholding payment. Such notice shall specify the basis or bases for LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for LEA's withholding payment or submit a written request for extension of time to correct the deficiencies. Upon receipt of CONTRACTOR's written request showing good cause, LEA shall extend CONTRACTOR's time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to LEA specifying the reason it believes payment should not be withheld. LEA shall respond to CONTRACTOR's notice within thirty (30) business days by indicating that a warrant for the amount of payment will be made or stating the reason LEA believes payment should not be made.
